Parkinson is one of the oldest independent family charter bus companies in Ontario. We take pride in offering personalized service to our customers for over 90 years. Since 1986 we have expanded our charter division and offer single and multi-day trips throughout Canada and the U.S.A. We service all types of groups and we are licensed throughout North America. We carry a \$10,000,000 liability Insurance policy, we own all our equipment and have an on-staff driver trainer

that is certified by the MTO, all our vehicles are serviced and maintained on site. Drivers are part of the drug and alcohol testing program and have a minimum of 2 years experience in the transportation field.

When choosing a charter bus operator many factors should be considered. Similar to picking a restaurant or hotel – level and quality of service, product and standards should be evaluated as lower prices do not always guarantee the best product or service. Our goal is to make your trip with us enjoyable and pleasant as if you were driving.
